

Confederation of Indian Industry

CONCEPT NOTE

CII GLOBAL SUMMIT ON TECHNOLOGY, INNOVATION AND IP

| India's Deep Tech Future: Innovation, IP and Global Competitiveness

📅 7–8 December 2026

📍 New Delhi

🌐 Flagship Global Summit

✔ Technology Leadership

✔ Deep Tech Innovation

✔ Intellectual Property

✔ Global Partnerships

Context & Background

India is advancing towards globally competitive and innovation-driven growth, powered by technology, Deep Tech, R&D and IP.

Deep Tech is transforming industries across advanced materials, critical minerals, robotics, deep-sea technologies, quantum, biotechnology and AI.

India's growing research, technology and innovation capabilities provide a strong foundation for globally competitive technologies.

A future-ready IP ecosystem protects innovation, enables commercialization, attracts investment, builds partnerships and scales indigenous technologies.

⚡ The Summit will connect these two imperatives: frontier technology and IP-led growth.

INNOVATION & IP: THE DUAL ENGINE OF GROWTH

Summit Theme

GUIDING SUMMIT VISION

"To shape India's technology and innovation journey by strengthening Deep Tech capabilities, enabling IP-led commercialization and building globally competitive partnerships."

ACCELERATE

Deep Tech, industrial technology and research-led competitiveness across mission-critical sectors.

STRENGTHEN

Industry-Government collaboration and global multi-stakeholder technology partnerships.

PROMOTE

Innovation, Intellectual Property, commercialization and sustainable global competitiveness.

Key Objectives

01

Accelerate Deep Tech & Technology-led Competitiveness

To accelerate the development and adoption of Deep Tech, industrial technology and research-led innovation for strengthening India's technological and industrial capabilities.

02

Strengthen Collaborative Innovation Ecosystems

To bring together government, industry, academia, research institutions, startups and investors to enable collaboration, technology partnerships, knowledge exchange and innovation.

03

Promote IP-led Commercialization & Global Competitiveness

To highlight the strategic role of Intellectual Property in protecting, valuing, licensing, commercializing and scaling innovation, while strengthening India's position in the global technology ecosystem.

Thematic Conference Tracks

TRACK 01

Technology Collaboration

STRATEGIC ALLIANCES

TRACK 02

Deep Tech Frontiers

NEXT-GEN TECH

TRACK 03

Intellectual Property & Anti- Counterfeiting

IP PROTECTION & VALUE

TRACK 04

Advanced Manufacturing

INDUSTRIAL SCALE

Key Highlights & Activities

THOUGHT LEADERSHIP

- Visionary Keynotes & Addresses
- Global Perspectives on Deep Tech
- High-Level Expert-led Discussions
- Ministerial & Leadership Dialogues

TECH & IP EXHIBITION

A vibrant showcase of innovative technologies, pathbreaking research, Deep Tech breakthroughs, enterprise products, and IP-led indigenous innovations.

BUSINESS & ECOSYSTEM

- Structured B2B Matchmaking
- Active Investor Engagement & Pitches
- Curated Bilateral Networking

REPORTS & PUBLICATIONS

- Policy Recommendations
- Industry & Research Case Studies
- Deep Tech, Innovation & IP Insights

GLOBAL COLLABORATION

- International Technology Partnerships
- Global Multilateral Knowledge Exchange
- Cross-border Technology Collaboration
- Bilateral R&D Missions

AWARDS & RECOGNITION

- Industrial Innovation Awards
- 12th Industrial IP Awards
- Special Recognition of Law Firms for IP Excellence
- Startup IP Champion Awards
- Awards on Excellence in Women in STEM

Stakeholders & Delegates

The Summit will bring together Senior Government officials and policymakers, industry leaders, CEOs, CXOs, CTOs, Chief Innovation Officers, R&D leaders, IP professionals, startups and scale-ups, VCs and investors, universities, research institutions, scientists and international organizations.

**International
Delegations**

Glimpses of Previous Summit

Policy Advocacy & Report Release

Awards Recognition

Thematic Panel Discussions

Winners & Awardees

Tech & IP Exposition

More than 1000 participations

Why To Participate

Gain Strategic Insights

Understand the latest developments shaping India's Deep Tech, technology, innovation and IP ecosystem.

Explore IP Opportunities

Discover how IP can protect, commercialize and scale innovation into multi-million dollar market outcomes.

Network with Leaders

Connect with policymakers, industry leaders, researchers, entrepreneurs, investors and international experts.

Showcase Innovations

Present technologies, research, innovations and IP-led solutions to a national and global audience.

Expected Key Outcomes

Strategic Roadmap

Pathways for strengthening India's Deep Tech, innovation and IP ecosystem.

Policy Recommendations

Action-oriented recommendations for technology, innovation and IP policy frameworks.

Collaboration Frameworks

New partnerships among government, industry, startups, academia and international organizations.

Knowledge Exchange

Sharing insights, expertise and best practices across global technology, innovation and IP ecosystems

Event Details

CII GLOBAL SUMMIT ON TECHNOLOGY, INNOVATION AND IP

Theme: India’s Deep Tech Future: Innovation, IP and Global Competitiveness

 **DATE**
7–8 December 2026

 **VENUE**
Hotel Le Meridien, New Delhi, India

 **Looking forward to your active participation and valued partnership.**

PARTNERSHIP & PARTICIPATION

Mr. Shwetabh Raj

Counsellor, CII

 **shwetabh.raj@cii.in**
 **+91 95659 17648**

Mr. Trilochan Panda

Executive, CII

 **trilochan.panda@cii.in**
 **+91 91789 20641**
