

Confederation of Indian Industry

# National Intellectual Property (IP) Centre

Know Your IP Assets → Protect Your IP → Prospect Your IP

Join the CII drive "One Company at least one IP"

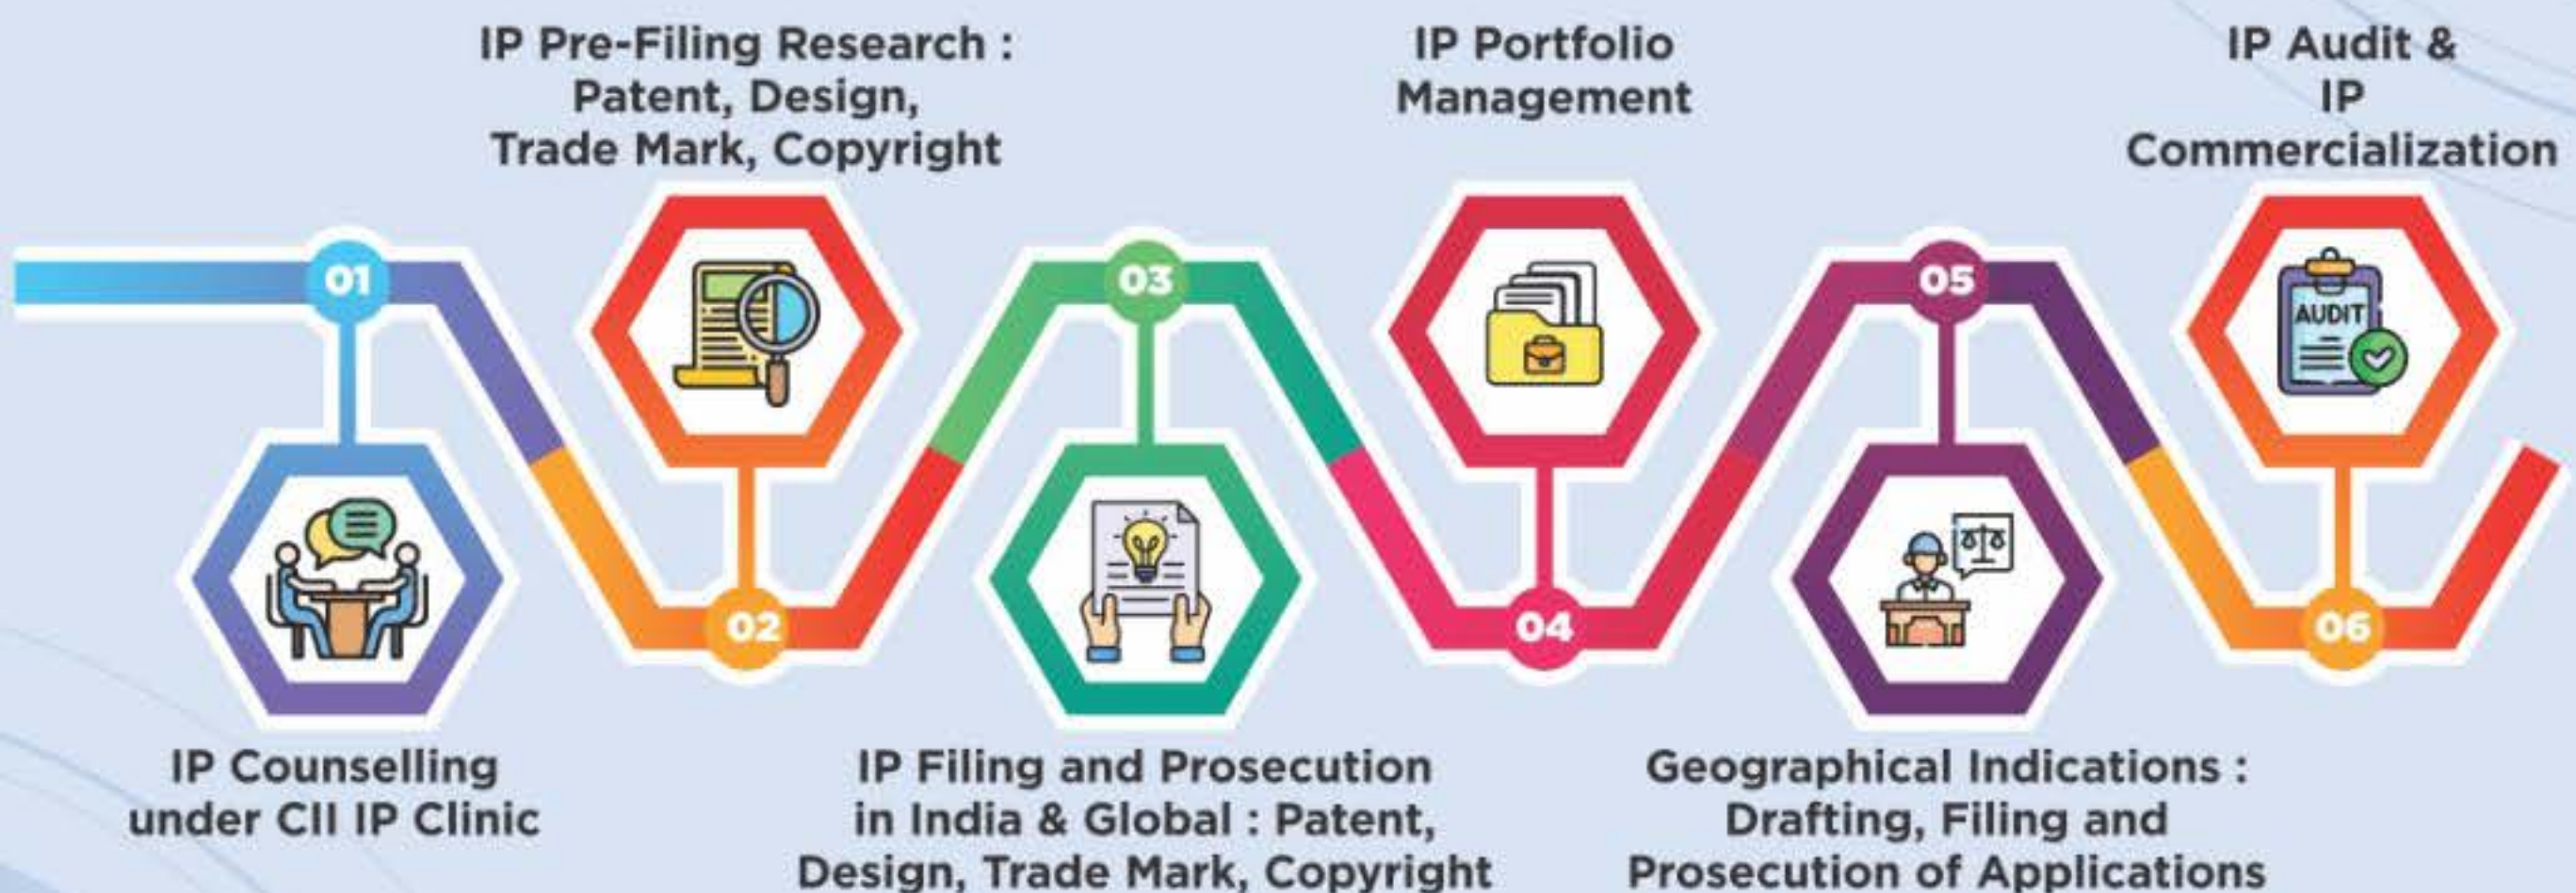

## ABOUT

CII National Intellectual Property Centers is driving CII National IP Movement through providing hand-holding support for IP Protection, Enforcement & Monetization. The centre also advocates for policy reforms that are conducive to the Indian industries.

## VISION & MISSION

Transforming India into an IP-intensive Nation by leveraging Intellectual Property through the strengthening of IP. Thereby, helping the country to achieve its goal of - "One Company, Atleast One IP".
